

# N & BNC Connector Splitters

- Amplified or passive options
- N type & BNC connectors available in 50 ohm and 75 ohm variants
- Low insertion loss.
- High isolation

## Description

Global Professional N-Type splitters are high quality splitters for the professional user.

split2n.....2 way passive, 4dB loss  
split4an.....4 way active, 0dB loss  
split4pn.....4 way passive, 8dB loss  
splitwb2bnc.....2 way 70/140MHz BNC splitter  
splitwb4bnc.....4 way 70/140MHz BNC splitter

All Global Professional N type splitters are housed in our standard EMI-proof enclosures and are CE approved. External DC powering is available as an option for the active splitters. A range of passive combiners for frequencies between 50MHz to 2150MHz are also available.

## Specification

|                     | Split2N      | Split4AN     | Split4PN     |
|---------------------|--------------|--------------|--------------|
| Number of Ways      | 2            | 4            | 4            |
| Insertion Loss      | 4 + or - 1dB | 0 + or - 1dB | 8 + or - 1dB |
| Isolation           | +16 dB       | +20 dB       | +20 dB       |
| Return Loss         | 15 dB        | 15 dB        | 15 dB        |
| Current Consumption | 0 mA         | 40 mA        | 0 mA         |
